### New Audio Clips Posted to Sen. Stouffer's Multimedia Page

---

JEFFERSON CITY – State Sen. Bill Stouffer, R-Napton, recently added new audio clips to his multimedia page, which is located on his Missouri Senate website. This page features audio and video links (both streaming and broadcast quality — when available) for visitors to listen to and watch Sen. Stouffer address issues that are important to him and the citizens of the 21<sup>st</sup> Senatorial District.

The new audio clips on Sen. Stouffer's multimedia page include instructions for downloading a podcast version of his weekly full-length audio interview, plus four soundbites of the senator talking about [Senate Bill 607](#), which would require drug testing for people who are receiving help from the Temporary Assistance for Needy Families program.

Senator Stouffer will continue to add audio and video clips throughout the 2010 legislative session. To view Sen. Stouffer's multimedia page, visit <http://www.senate.mo.gov/multimedia/stouffer/audio.html>.
